**Event Type:** Awareness Lecture

**Event Name:** Lecture on Adulteration Awareness on the occasion of World Health Day, 2020

**Date:** 7<sup>th</sup> April, 2020

**No. of Participants:** 50

**Online Platform:** Google Meet

**Lecture Delivered by:** Dr. Sangeeta, Head and Assistant Professor, Department of Food Processing, Guru Nanak College, Budhlada.

**Description of Event:** Lecture on Adulteration Awareness and its impact on health was organized by the Department of Food Processing, Guru Nanak College, Budhlada on 7<sup>th</sup> April, 2020 on the occasion of World Health Day, 2020. During this period whole world was suffered from pandemic (Covid-19). There was a shortage of oxygen and beds in the hospitals. So, the only solution to get protection from this pandemic was healthy and organic diet. Dr. Sangeeta (Assistant Professor, Food Processing Department) delivered lecture to the participants to make them aware about the role of unadulterated food in our daily life and its impact on human health especially in this pandemic situation. She also guided the participants about various adulterants, which can be present in different food products, which we used in daily diet. She also discussed various basic tests for detection of adulterants in food products.
