AN 832723

**AGREEMENT FOR COLLECTION AND TREATMENT OF COVID-19 Bio-Medical waste**

In order to deal with COVID-19 pandemic, State and Central Governments have initiated various steps, which include setting up of quarantine centres/ camps, isolation wards, sample collection centres and laboratories. Specific guidelines for management of waste including Bio-medical waste generated during diagnostic and treatment of COVID-19 suspected / confirmed patients are required to be followed by all the stakeholders including isolation wards, quarantine centres, sample collection centres, laboratories, ULBs and common biomedical waste treatment and disposal facilities. In addition to existing practices under BMW Management Rules, 2016.

As per these guidelines This Outsourcing Agreement made on dated. 24/05/2021

Between

M/s. Medwaste Solutions Pvt. Ltd.

Common Bio Medical Waste Treatment Facility (CBWTF)-First Party

And

Guru Nanak College, Budhlada, under the Management of S.G.P.C. (Amritsar)

Second Party  
Contact - 01652 - 253146, 81465- 53146.  
EMAIL - gncbudhlada@yahoo.co.in

Whereas both parties already have an existing agreement for collection and treatment of normal bio-medical waste and whereas now isolation wards created in the existing premises and covid care centres (CCC) in the external premises or might be created in future as per need to treat COVID-19 patients / suspects. Now this outsourcing agreement is been made at the following terms and conditions valid for one year from the day of commencement of agreement:

1. That the First Party shall inform regarding COVID-19 Biomedical waste to the State Pollution Control Board (SPCB) from time to time with copy to Second Party.
2. The First Party shall carry out and shall be responsible for procedures and operations as attributed to it in the Guidelines issued time to time To follow the definition of Bio Medical Waste
3. COMMON WASTE DEPOSITION CENTRES
4. Second Party shall create a one waste deposition centre for COVID-19 waste in the isolation facility. All BMW Collected by the Second Party in liners/ bags provided by First Party shall be stored in preferably separate deposition centre designated for "COVID WASTE" from which it will be lifted by the First Party.

...ing has been necessitated because of expected and unprecedented circumstances created by the COVID-19. The First Party shall continue to collect and treat the waste to the best of its capability and as allowed by its available capacity. The first party can delay but can't refuse lifting of waste (by abiding to act criteria) if its capacity is exhausted or due to any other reason outside its control for any other major reasons with information to the Second Party and PPCB.

(b) This agreement shall be valid for 1 year from commencement which can be terminated, unilaterally at any time by the second party with notice of 48 hours without citing any reason.

(c) The agreement shall extend with mutual consent for further period as required.

### 8. COST & PAYMENTS.

For isolation facilities which are not part of the existing hospital the cost is to be paid by the second party to the First Party for collection & Treatment of COVID-19 BMW shall be;

- The payment will be as per the bed Occupancy rate (BOR) of the facility, i.e. if the facility is 100 beds at the rate at which the payment is being made for the hospitals already in agreement in the district.
- Same rates and terms shall apply to the Covid Care Centres.
- In order to prevent any loss to the First Party, a minimum fixed amount of Rs 1000/- per visit is fixed for the facilities having 10 or less than 10 beds/ or cases of less than 10 admitted / where payment on BOR formula comes out to be less than Rs 1000/ day.
- The cost of liners/ Bags of appropriate size of BMW rules 2016 shall be paid by second party at the existing rates and terms. This cost will include the cost of "COVID WASTE" stickers on bags.

Agreed and Signed as below

Second Party
