MEMORANDUM OF UNDERSTANDING

Dated the 13th day of January 2020

between

INDIAN INSTITUTE OF FOOD PROCESSING TECHNOLOGY, THANJAVUR

and

GURU NANAK COLLEGE, BUDHLADA

This Memorandum of Agreement between the Indian Institute of Food Processing Technology (IIFPT), Thanjavur and Guru Nanak College, Budhlada, is intended to facilitate a collaborative program of research, skill development, consultancy, institutional development, information dissemination and students in-plant training. The linkage hereby formed shall further strengthen each partner institution's objectives as well as the mutual relationship between the partners.

About Indian Institute of Food Processing Technology (IIFPT)

Indian Institute of Food Processing Technology is a reputed R&D and educational institution under the Ministry of Food Processing Industries, Government of India. IIFPT offers B. Tech, M. Tech, and Ph. D programs in Food Process Engineering, M. Tech in Food Science and Technology and PhD in Biotechnology. IIFPT has international standard laboratories including: NABL accredited Food Quality and Safety Testing Laboratory which is also FSSAI referral lab; ISO 9000, 14000 and 22000 Certified Food Processing Business Incubation cum Training Centre; AICTE approved Teaching Laboratories and State-of-Art Hi-Tech Food Processing Research Laboratories. The facilities available at IIFPT are effectively explored through offering hands-on trainings, consultancy services, incubation services, quality testing and R&D support for food industry stakeholders. Tailor made programmes

are offered for promotion of cottage level food industries, especially for farmers and women self help groups.

In pursuance of its corporate goals, IIFPT has forged strong links with and between the scientific and industrial community in India and abroad. The Institute has formal agreements with major R&D organizations/Universities for collaborative research, student and faculty exchange programs.

About Guru Nanak College

The Guru Nanak College is one of the premier institutions of higher education in the state and a leading educational institution established on the sacred name of Sri Guru Nanak Dev Ji, first guru of Sikhs. The college has consistently been enlightening its glory in the state and of course nationally. Guru Nanak College, affiliated to Punjabi University, Patiala (listed in 12(b) & 2(f) sections of UGC Act 1956) is situated in outskirts of Budhlada city - a small town of district Mansa in Punjab. To tribute the 500th birth anniversary of "Sri Guru Nanak Dev Ji", it was started in 1971 by some eminent personalities of the region keeping in mind the noble cause to make affordable education accessible to all the people of this backward, rural and remote area. In the beginning, it was functioning under the local management but later on handed over to SGPC (Shiromani Gurdwara Parbandhak Committee, Sri Amritsar Sahib) an apex and philanthropic body of the Sikhs committed to serve the humanity, on 09 November 1994 due to meager financial resources and some other executive problems. It was followed by some significant reforms in both college functioning and infrastructure.

The growth of the college took a phenomenal pace since 2008 with a radical augment in a number of courses, faculty, infrastructure and other teaching learning resources. At present, it has become the foremost organization of the area having 16 PG and 12 UG courses (including 03 skill-development vocational and industry oriented courses), 151 faculty members, 5926 students (2190 girls and 3736 boys) with state-of-the-art infrastructure and technology to provide quality education.

Educational and academic exchanges are considered here to include but not limited to:

1. Joint consultancy for Industries;
2. Student Research Projects/ In-plant trainings
3. Coordination of joint research projects & lectures;

4. New product development & incubation services with research institutes and industries.
5. Exchange of documentation and research materials in fields of mutual interest provided that, to the best knowledge of the respective institutions, there is no prohibition at law or otherwise against the exchange; and,

whereas

- A. Details of the implementation of any particular student or faculty-related activity resulting from this Memorandum of Understanding shall be negotiated between the two institutions as such specific case may arise and will be outlined in a Supplementary Student Research Agreement or Faculty Research Agreement between the institutions. Supplementary Agreements are subject always to availability of sufficient funds to the respective institutions.
- B. This Memorandum of Understanding reflects the respective institutions' commitments to both educational and research exchanges as of the date of the Memorandum of Understanding. This Memorandum of Understanding may be amended or terminated at any time by either party provided that notice of termination or amendment is provided by the notifying party to the other party within thirty (30) days of the date on which the termination or the amendment is intended to become effective. Any amendment or termination shall not have effect on any arrangement in place at the time that the notice is provided, where the arrangement arises from any Supplementary Agreements resulting from this Memorandum of Understanding.

Both institutions subscribe to the policy of equal opportunity and will not discriminate on the basis of gender, age, disability, race, color, religion, marital status, veteran's status, national or ethnic origin, or sexual orientation.

This Memorandum of understanding will become effective immediately. It shall continue in effect for a period of five years and may be extended by mutual agreement. It may be terminated by either institution upon one-year written notification to the partner institution.

IN WITNESS WHEREOF the parties hereto have executed the **MEMORANDUM OF UNDERSTANDING** as of the date first written above.

MEMORANDUM OF UNDERSTANDING

This MEMORANDUM OF UNDERSTANDING (MOU) is made on 29th Day of June 2020 at New Delhi

BETWEEN

Guru Nanak College affiliated to **Punjabi University Patiala** having its campus at Jakhal- Bareta Road, Budhlada (Mansa) (hereinafter called as "GNC Budhlada" which expression shall where the context so admits, include its successors, permitted assigns will include its constituents) of the ONE PART.

AND

Food Industry Capacity & Skill Initiative, registered under the Societies Registration Act, 1860 having its office at 601, 6th floor, Mercantile House, Kasturba Gandhi Marg, Connaught Place, New Delhi – 110001, (hereinafter referred as "FICSI" which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successors and assigns) on the OTHER PART

Guru Nanak College, Budhlada and **FICSI** shall hereafter be collectively referred to as "Parties" and reference to "Party" shall mean **FICSI** or **Guru Nanak College** as the case may be.

WHEREAS:

Guru Nanak College located at Jakhal- Bareta Road, Budhlada (Mansa) and under **Punjabi University, Patiala** recognized under 12(b) & 2(f) Sections of the UGC Act 1956. The college strives to impart skill based quality education and promote research driven advancement of knowledge for creating successful professionals.

Food Industry Capacity & Skill Initiative (FICSI) is the Sector Skill Council for the "Food Processing" Sector and has been formed under the aegis of the National Skill Development Council (NSDC) and Federation of Chambers of Commerce of India (FICCI) as an initiative to promote skill development. **FICSI** functions as an autonomous body and its main charter/objectives are as under:

- Identify the skill development needs of the "Food Processing" Industry.
- Set National Occupational Standards (NOS).
- Approve curriculum for training.
- Execute "Train the Trainer" programmes.
- Accredite Training Institutes imparting training in "Food Processing" related job roles.
- Set assessment and certification processes.
- Establish Labour Market Information System (LMIS).
- Undertake research to identify future needs.

This MoU is intended to outline the general framework for collaboration between the Parties for running skill based program in food processing in various subsectors of food processing for creating trained manpower specially for MSME as well as for startups and Entrepreneurship. The initial goal of this memorandum of understanding is to outline and describe certain of the respective goals, strategies and

objectives, as the case may be, as well as the intent of the parties to conduct collaborative activities to establish and promote a mutually beneficial relationship. As such, the actual details of each specific collaboration and/or transaction will be determined by mutual agreement of Parties.

BOTH PARTIES mutually agree to conduct the following activities:

A. Training programme as per National Skill Qualification Framework (NSQF)

Guru Nanak College, Budhlada will impart skilling in Food Processing based on FICSI's Qualification Pack (QP) as part of the the course curriculum for the students. In this regard, college must have UGC approval to start the course.

B. Assessment & Certification

FICSI will conduct Assessment & certification of students trained under different skill based training programs of Guru Nanak College, Budhlada aligned to FICSI QPs.

C. Train the Trainer

FICSI would organize 'Train the trainers' programme on the QPs developed by FICSI in collaboration with the institute.

D. Development of Occupational Standards, Curriculum, Learning materials

FICSI is involved in the development of National Occupational standards, Qualification Packs, Curriculum & Course Content for the various segments of Food Processing. It may support the institute in development of course curriculum related to skill based program in food processing as per guideline and institute will also support FICSI with its technical expertise to develop and validate QP, curriculum and course content.

E. Collaborative Efforts for furthering in skilling

Institute will teach NSQF aligned job roles under the skill component and this will include on-the-Job training/ Apprenticeship / practical classes in laboratories / workshops/ internship which will give candidate a better exposure in the job market. FICSI has already developed a job portal for such candidates where candidates' information can be shared with the industry for placement purpose. (College name) will share the information of eligible students to feed into the job portal.

F. Manpower & Infrastructure required

The existing infrastructure and manpower of the Parties will be used for the implementation of the collaborative activities to the extent agreed by each party. Within 30 days both Parties will nominate a Liaison Officer for coordinating the collaborative activities.

H. Duration of MoU

This memorandum of understanding shall be deemed to have come into force w.e.f the date of signing and shall remain in force for 3 years.

I. Entire agreement

This MoU shall constitute of the entire understanding between the Parties with respect to the subject matter hereof and supersede all prior agreements or understandings of the Parties relating thereto.

J. Amendments

No modifications or amendments of any terms or conditions of this understanding shall be effective unless made in writing and signed by the authorized representatives of the parties.

K. Arbitration / Dispute Settlement

In case of any dispute that may arise during or after project execution, the matter would be settled mutually.

L. Notices

All notices required or permitted by, or made pursuant to this MoU shall be in writing and sent by registered post to the following address:

For FICSI : FICSI, 601, 6th floor, Mercantile House, Kasturba Gandhi Marg, Connaught Place, New Delhi - 110001

For Guru Nanak College, Budhlada:

M. Implementation

The parties shall review the Implementation and the application of this MoU through a joint committee in every 3 months alternatively. This Implementation Committee shall meet as required at either of parties work places.

N. Assignment

This MoU is based on the professional competence and expertise of each party and hence neither party shall transfer or assign this MoU or rights or obligations arising hereunder, either wholly or in part, to any third party.

N. General Provisions

1. The parties shall bear their respective costs of carrying out the collaborative activities envisaged under this MoU. Neither party shall make a claim against the other party for any expenditure, unless such expenditure has been agreed upon in writing between the parties.

2. Either party reserves the right to terminate this MoU subject to 60 days prior written notice to the other party hereto. Any program or activity that was already commenced shall survive the termination of this MoU and be completed to the best of both parties abilities pursuant and subject to the terms of this MoU.

O. Non - exclusivity

The relationship of the parties under this MoU shall be non - exclusive and both parties are free to pursue other agreement or collaboration of any kind. However, when entering into a particular research agreement which may have some elements of existing FICSI - Guru Nanak College, Budhlada collaboration, then the participants may agree limit each party's right to the collaborate with other on that subject.

This MoU has been executed in two originals, one of which has been retained by Guru Nanak College, Budhlada and other by FICSI.

In witness whereof, the parties have executed this MoU and represent that they approve, accept, and agree to the terms contained herein.

Both the parties have set their hand in presence of the witness on the 24th day of the month June and the year 2020 as mentioned above.

It was followed by some significant reforms in both college functioning and infrastructure.

The growth of the college took a phenomenal pace since 2008 with a radical augment in a number of courses, faculty, infrastructure and other teaching learning resources. At present, it has become the foremost organization of the area having **16 PG** and **12 UG** courses (including 03 skill-development vocational and industry oriented courses), 151 faculty members, 5926 students (2190 girls and 3736 boys) with state-of-the-art infrastructure and technology to provide quality education. The college is accredited with 'A' grade by NAAC and got star college status from DBT.

Exchanges between the organizations are considered here to include but not limited to:

1. Both the organizations will support each other's endeavours in delivery of academic programmes and research activities through the following but not limited to:
 - (i) Exchange of scientific and technical information.
 - (ii) Joint supervision of Graduate students.

- (iii) Undertaking collaborative research activities through participation in nationally and internationally funded project.
 - (iv) Jointly organize events such as seminars, workshops, conferences and training programs.
 - (v) Training of students of as per the facilities and resources available.
 - (vi) Any other objective as agreed upon in writing by both the organizations to achieve the objective of MoU.
2. Industry will provide support for designing the course curriculum at Guru Nanak College which would be relevant for industry. To achieve these senior officials from industry will work in close collaboration with faculty members of Guru Nanak College Budhlada.
 3. Once a curriculum is designed and course relevant to industry are offered at Guru Nanak College senior officials from industry will share their knowledge and experience by way of taking sessions, participating in seminars and other academic activities of Guru Nanak College.
 4. Industry will offer summer internship to interested students of Guru Nanak College at its offices/project -locations so that the student gets hands on experience of live projects. The number of students, who can be consider for internship, would be as mutually decided between industry and Guru Nanak College every Year.
 5. Industry will arrange to provide periodic field visits for faculty and students of Guru Nanak College at its project sites to enable them to get practical exposure and learning from interaction with members of industry project-teams.
 6. Depending on requirement industry may offer specific projects with identified deliverables to be executed by Guru Nanak College. Detail modalities including financials would be mutually worked out for each project/ assignment.
 7. After Guru Nanak College starts course relevant to the industry in which industry operates and based on its requirement, industry may participate in campus placement; when it does so, industry will be given priority status like invitation for zero-day placements etc.
 8. Guru Nanak College will give preference to officials of industry in pursuing advance training and/or post-graduation studies.

Each party shall appoint one nodal officer to periodically review and identify ways to strengthen cooperation between them.

This MOU will take effect from the date it is signed by representatives of the parties. It will remain valid for five years, and may be continued thereafter after suitable review and agreement. It may be terminated by either institution upon one-month written notification to the partner institution.

IN WITNESS WHEREOF the parties hereto have executed the MEMORANDUM OF UNDERSTANDING as of the date first written above.

About Guru Nanak College, Budhlada

The Guru Nanak College is one of the premier institutions of higher education in the state and leading educational institution established on the sacred name of "Sri Guru Nanak Dev Ji", first guru of Sikhs. The college has consistently been enlightening its glory in the state and of course nationally. Guru Nanak College, Budhlada, affiliated to Punjabi University, Patiala (listed in 12(b) & 2(f) sections of UGC Act 1956) is situated in outskirts of Budhlada city - a small town of district Mansa in Punjab. To tribute the 500th birth anniversary of "Sri Guru Nanak Dev Ji", it was started in 1971 by some eminent personalities of the region keeping in mind the noble cause to make affordable education accessible to all the people of this backward, rural and remote area. In the beginning, it was functioning under the local management but later on handed over to SGPC (Shiromani Gurdwara Parbandhak Committee, Sri Amritsar Sahib) an apex and philanthropic body of the Sikhs committed to serve the humanity, on 09 November 1994 due to meager financial resources and some other executive problems. It was followed by some significant reforms in both college functioning and infrastructure.

The growth of the college took a phenomenal pace since 2008 with a radical augment in a number of courses, faculty, infrastructure and other teaching learning resources. At present, it has become the foremost organization of the area having **16 PG** and **12 UG** courses (including 03 skill-development vocational and industry oriented courses), 151 faculty members, 5926 students (2190 girls and 3736 boys) with state-of-the-art infrastructure and technology to provide quality education. MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 09th Feb, 2021, by and between

Name and Address of Institution:

Guru Nanak College, Budhlada 151502 Mansa (Punjab) represented herein by its **Name of Competent Authority / Representative** (hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Name and Address of Industry:

Sat Sahib Seeds Company A-1 Plot, Sirsa Road, Mansa 151505 (Punjab) and represented herein by its **Managing Director** (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as '**Parties**' and individually as '**Party**') as

WHEREAS:

- A) First Party is a Higher Educational Institution named:
Guru Nanak College, Budhlada 151502 Mansa (Punjab)
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) **Sat Sahib Seeds Company A-1 Plot, Sirsa Road, Mansa 151505 (Punjab)** the second party is engaged in Seed production, Seed Processing, Seed Marketing, Seed Supply, hybridization and related field.
- F) **Sat Sahib Seeds Company A-1 Plot, Sirsa Road, Mansa 151505 (Punjab)** the Second Party is promoted by **promoter name** Group; Address and background of the Company.
- G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2

SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of learners enrolled with the First Party.

- 2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Seed Production**
- 2.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.8 **Placement of Trained Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 10% of the students. The Second Party will itself absorb at least 5% percentage of the trained students.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein
- 2.10 There is no financial commitment on the part of the **Name of institution**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3

INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4

VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Name of Industry**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Name of Industry**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5
RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of

Guru Nanak College, Budhlada 151502 Mansa (Punjab) represented herein by its **Name of Competent Authority / Representative** (hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Name and Address of Industry:

Bhangu Seed Farm (Biggherwal Road Sunam, Distt. Sangur 148028, Punjab) and represented herein by its **Managing Director** (hereinafter referred to as "**Second Party**". company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as '**Parties**' and individually as '**Party**') as

WHEREAS:

A) First Party is a Higher Educational Institution named:

Guru Nanak College, Budhlada 151502 Mansa (Punjab)

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.

E) **Bhangu Seed Farm (Biggherwal Road Sunam, Distt. Sangur 148028, Punjab)** the second party is engaged in Seed production, Seed Processing, Seed Marketing, Seed Supply, hybridization and related field.

F) **Bhangu Seed Farm (Biggherwal Road Sunam, Distt. Sangur 148028, Punjab)** the Second Party is promoted by promoter name Group; Address and background of the Company.

G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2

SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of learners enrolled with the First Party.

- 2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Seed Production**
- 2.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.8 **Placement of Trained Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 10% of the students. The Second Party will itself absorb at least 5% percentage of the trained students.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein
- 2.10 There is no financial commitment on the part of the **Name of institution**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3

INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4

VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Name of Industry**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Name of Industry**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 8
RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Name of City. Mansa

MEMORANDUM OF UNDERSTANDING

Dated 30th July, 2022

Between

THE GARGIAN MASTER CUT (LEHRAGAGA, PUNJAB)

And

GURU NANAK COLLEGE, BUDHLADA

This Memorandum of Agreement between the Gargian Master Cut (Lehragaga, Punjab) and Guru Nanak College, Budhlada, is intended to facilitate a collaborative program of research, skill development, consultancy, institutional development, information dissemination and students in-plant training. The linkage hereby formed shall further strengthen each partner institution's objectives as well as the mutual relationship between the partners.

About the Gargian Master Cut (Lehragaga, Punjab)

Gargian Master Cut in Lehragaga, Sangrur is one of the leading businesses in the Boutiques. Also known for Boutiques, Readymade Garment Manufacturers and much more. Established in the year 1984, Gargian Master Cut in Lehragaga, Sangrur is a top player in the category Boutiques in the Sangrur. This well-known establishment acts as a one-stop destination servicing customers both local and from other parts of Sangrur. Over the course of its journey, this business has established a firm foothold in its industry. The belief that customer satisfaction is as important as their products and services have helped this establishment garner a vast base of customers, which continues to grow by the day. This business employs individuals that are dedicated towards their respective roles and put in a lot of effort to achieve the common vision and larger goals of the company. In the near future, this business aims to expand its line of products and services and cater to a larger client base. In Sangrur, this establishment occupies a prominent location in Lehragaga. It is an effortless task in commuting to this establishment as there are various modes of transport readily available. It is at Sangatpura Road, Sunil Readymade Garments, which makes it easy for first-time visitors in locating this establishment.

About Guru Nanak College

The Guru Nanak College is one of the premier institutions of higher education in the state and a leading educational institution established on the sacred name of Sri Guru Nanak Dev Ji, first guru of Sikhs. The college has consistently been enlightening its glory in the state and of course nationally. Guru Nanak College, affiliated to Punjabi University, Patiala (listed in 12 (b) & 2(f) sections of UGC Act 1956) is situated in outskirts of Budhlada city - a small town of district Mansa in Punjab. To tribute the 500th birth anniversary of "Sri Guru Nanak Dev Ji", it was started in 1971 by some eminent personalities of the region keeping in mind the noble cause to make affordable education accessible to all the people of this backward, rural and remote area. In the beginning, it was functioning under the local management but later on handed over to SGPC (Shiromani Gurudwara Prabandhak Committee, Sri Amritsar Sahib) an apex and philanthropic body of the Sikhs committed to serve the humanity, on 09 November 1994 due to meager financial resources and some other executive problems. It was followed by some significant reforms in both college functioning and infrastructure.

The growth of the college took a phenomenal pace since 2008 with a radical augment in a number of courses, faculty, infrastructure and other teaching learning resources. At present, it has become the foremost organization of the area having 16 PG and 13 UG courses (including 05 skill development vocational and industry oriented courses), 151 faculty members, 4446 students (2042 girls and 2404 boys) with state-of-the-art infrastructure and technology to provide quality education.

Educational and academic exchanges are considered here to include but not limited to:

- 1) Joint consultancy for Industries;
- 2) Student Projects/ In-house trainings
- 3) Coordination of joint research projects & lectures;
- 4) New product development & incubation services with research institutes and industries.
- 5) Exchange of documentation and research materials in fields of mutual interest provided that, to the best knowledge of the respective institutions. there is no prohibition at law or otherwise against the exchange; and,

Whereas

- A. Details of the implementation of any particular student or faculty-related activity resulting from this Memorandum of Understanding shall be negotiated between the two institutions as such specific case may arise and will be outlined in a Supplementary Student Research Agreement or Faculty Research Agreement between the institutions. Supplementary Agreements are subject always to availability of sufficient funds to the respective institutions.
- B. This Memorandum of Understanding reflects the respective institutions' commitments to both educational and research exchanges as of the date of the Memorandum of Understanding. This Memorandum of Understanding may be amended or terminated at any time by either party provided that notice of termination or amendment is provided by the notifying party to the other party within thirty (30) days of the date on which the termination or the amendment is intended to become effective. Any amendment or termination shall not have effect on any arrangement in place at the time that the notice is provided, where the management arises from any Supplementary Agreements resulting from this Memorandum of Understanding.

Both institutions subscribe to the policy of equal opportunity and will not discriminate on the basis of gender, age, disability, race, color, religion, marital status, veteran's status, national or ethnic origin, or sexual orientation. This Memorandum of understanding will become effective immediately. It shall continue in effect for a period of five years and may be extended by mutual agreement. It may be terminated by either institution upon one-year written notification to the partner institution.

In witness where of the parties hereto have executed the Memorandum of Understanding as of the date first written above.

MEMORANDUM OF UNDERSTANDING

Between

GIRIRAJ PIPE INDUSTRIES BUDHLADA

And

GURU NANAK COLLEGE BUDHLADA, PUNJAB, INDIA

In the spirit of intellectual cooperation, scholarly exchange, and the development of national partnership with leading institutions and industry, **GIRIRAJ PIPE INDUSTRIES BUDHLADA** and the **GURU NANAK COLLEGE, BUDHLADA, PUNJAB, INDIA** agrees to establish a program of exchange and collaboration on related matters of mutual interest that may emerge over time.

1. The purposes of the cooperation are to promote cooperative research, to facilitate the exchange of ideas, development of new knowledge, and to enhance high quality research acumen. The major thrust areas of research on which the parties will cooperate with each other when ever required with the concern department's i.e., Chemistry, Physics, Zoology, Botany etc.
The modes of cooperation will include:
 - a. Exchange of faculty and students for the purpose of research and teaching;
 - b. Development and implementation of cooperative research projects, professional development programs.
2. To achieve the goals of this cooperation, both parties will:
 - a. Promote institutional and industry exchange by inviting faculty and student researcher of the partner institution to participate in appropriate research activities;
 - b. Facilitate internship to M.Sc. Chemistry/ Physics and BSc Medical/ Non-Medical students;
 - c. Organize symposia, conferences and meetings on timely research issues;
 - d. Carry out joint research programs;
 - e. Exchange information pertaining to the agreed-upon research areas.

Partnership in the CSR initiatives by Giriraj Pipe Industries Budhlada to promote education, research and /or societal wellbeing.

3. Prior to the initiation of any particular project or activity, the specific terms of co-operation and exchange for that project will be discussed and agreed upon in writing by an appropriate responsible representative of both the institutions.
4. Both parties understand that all financial arrangements for specific exchange activity must be mutually agreed upon and will depend on the availability of funds. In addition, the scope of the activities will be subjected to the funds available at the institution and industry for the type of collaboration undertaken and any financial assistance that may be obtained by either from external sources.
5. Either party may propose to the other specific individual research project(s) for collaboration. Such proposals may be made at any time and the parties will develop an agreement for each agreed-upon project. The protection and exploitation of any intellectual property arising out of a research project will be addressed in each individual project agreement.
6. Day to day implementation of this MoU will be coordinated by the industry Director of Giriraj Pipe Industries Budhlada and the Head, Guru Nanak College Budhlada.
7. Amendments to this MoU may be made at any time after consultation and agreement between institution and industry. Any such amendment must be in writing and signed by both parties.
8. Both parties acknowledge and understand that all financial arrangements, if any, will be subjected to prior written agreement and availability of funds for each activity/project undertaken.
9. This MoU will remain in force for a period of **FIVE (05) years** from the date of signing. The MoU can also be suitably modified, as agreed to by both the parties, to reflect an increased scope, nature of engagement/activities including financial commitments, if any. Prior to the expiration date, the MoU may be reviewed for possible renewal. In addition, either party may terminate the MoU in advance of its normal expiration by providing the other with six months' prior written notice. In this case persons already approved as exchange participants will be allowed to complete their exchange visits under the conditions specified at the time of their invitation to the host institution.

MEMORANDUM OF UNDERSTANDING

Between

NEW MALWA RICE AND GEN.MILL BIROKE KALAN, MANSA(PUNJAB)

And

GURU NANAK COLLEGE BUDHLADA, PUNJAB, INDIA

In the spirit of intellectual cooperation, scholarly exchange, and the development of national partnership with leading institutions and industry, **NEW MALWA RICE AND GEN.MILL BIROKE KALAN, MANSA(PUNJAB)** and the **GURU NANAK COLLEGE, BUDHLADA, PUNJAB, INDIA** agrees to establish a program of exchange and collaboration on related matters of mutual interest that may emerge over time.

1. The purposes of the cooperation are to promote cooperative research, to facilitate the exchange of ideas, development of new knowledge, and to enhance high quality research acumen. The major thrust areas of research on which the parties will cooperate with each other when ever required with the concern department's i.e., Chemistry, Physics, Zoology, Botany etc.

The modes of cooperation will include:

- a. Exchange of faculty and students for the purpose of research and teaching;
 - b. Development and implementation of cooperative research projects, professional development programs.
2. To achieve the goals of this cooperation, both parties will:
 - a. Promote institutional and industry exchange by inviting faculty and student researcher of the partner institution to participate in appropriate research activities;
 - b. Facilitate internship to M.Sc. Chemistry/ Physics and BSc Medical/ Non-Medical students;
 - c. Organize symposia, conferences and meetings on timely research issues;
 - d. Carry out joint research programs;
 - e. Exchange information pertaining to the agreed-upon research areas.

Partnership in the CSR initiatives by New Malwa Rice and Gen. Mill Biroke Kalan, Mansa (Punjab) to promote education, research and /or societal wellbeing.

3. Prior to the initiation of any particular project or activity, the specific terms of co-operation and exchange for that project will be discussed and agreed upon in writing by an appropriate responsible representative of both the institutions.
4. Both parties understand that all financial arrangements for specific exchange activity must be mutually agreed upon and will depend on the availability of funds. In addition, the scope of the activities will be subjected to the funds available at the

institution and industry for the type of collaboration undertaken and any financial assistance that may be obtained by either from external sources.

5. Either party may propose to the other specific individual research project(s) for collaboration. Such proposals may be made at any time and the parties will develop an agreement for each agreed-upon project. The protection and exploitation of any intellectual property arising out of a research project will be addressed in each individual project agreement.
6. Day to day implementation of this MoU will be coordinated by the industry Director of New Malwa Rice and Gen. Mill Biroke Kalan, Mansa (Punjab) and the Head, Guru Nanak College Budhlada.
7. Amendments to this MoU may be made at any time after consultation and agreement between institution and industry. Any such amendment must be in writing and signed by both parties.
8. Both parties acknowledge and understand that all financial arrangements, if any, will be subjected to prior written agreement and availability of funds for each activity/project undertaken.
9. This MoU will remain in force for a period of **FIVE (05) years** from the date of signing. The MoU can also be suitably modified, as agreed to by both the parties, to reflect an increased scope, nature of engagement/activities including financial commitments, if any. Prior to the expiration date, the MoU may be reviewed for possible renewal. In addition, either party may terminate the MoU in advance of its normal expiration by providing the other with six months' prior written notice. In this case persons already approved as exchange participants will be allowed to complete their exchange visits under the conditions specified at the time of their invitation to the host institution.

Memorandum of Understanding

Between

**Guru Nanak College Budhlada
and**

NASSCOM / IT-ITES SECTOR SKILLS COUNCIL NASSCOM

For

**Assessments and Certification on NSQF Levels/Qualification Packs (QP) and
National Occupational Standards (NOS) under the BVOC Project**

This Memorandum of Understanding (MoU) has been made and agreed upon between the Parties mentioned below, signed on 18 July, 2022

BETWEEN

National Association of Software and Service Companies (NASSCOM) having its head office at the NASSCOM Plots 7-10, Sector 126, Noida, UP – 201303, India (hereinafter called “NASSCOM”), represented by the Executive Director IT-ITeS Sector Skills Council NASSCOM, which expression shall, where the context so admits, be deemed to include its successors, executors and administrators of the ONE PART

AND

Narinder Singh, Nodal Officer, represented by the **Guru Nanak College, Budhlada** (hereinafter referred to as “Second Party”) which expression shall unless repugnant to the context or meaning thereof, include its successor in office, legal representatives and permitted assigns of the SECOND PART

Background and Purpose

Guru Nanak College, Budhlada has been established in the state of **Punjab** for skilling youth to carry forward the skill development initiatives in a co-ordinated manner.

Whereas **IT-ITeS Sector Skills Council NASSCOM (SSC NASSCOM)**, the skill standard setting body of the IT-BPM Industry, is an integral part of NASSCOM in the education & skill development initiative. SSC NASSCOM works with its industry members and assist academic and skill development institutions to help improve the quality and quantity of the employable workforce available to this industry.

NASSCOM/SSC NASSCOM and Guru Nanak College, Budhlada and will hence forth be referred to independently as the ‘First Party’ and ‘Second Party’ respectively and collectively as the ‘Parties’.

THIS MOU WITNESSED AND THE PARTIES HERETO AGREE TO AS FOLLOWS:

A. Objective

This MoU is for collaboration on the conduct of Assessments and Certification on Qualification Packs (QP) and National Occupational Standards (NOS) for Second Party sponsored candidates.

1. The **Objective** of this MoU is to showcase the employability skills of the candidates of the Second Party by their adoption of the National Occupational Standards (NOS), Assessments and Certifications developed by NSDC through its Sector Skill Councils. Under this MoU, First Party will ensure timely completion of assessment & its certification of candidates of the Second Party.
2. Currently 2 QP(s) for which candidates of the Second Party need to be assessed and to be conducted by the Assessment Bodies of the First Party, has been enclosed as **Annexure 1**. Going forward more QPs will be added in consultation with the First Party.

B. Role and Responsibilities of Second Party

The **Second Party** is the implementing organization and will be responsible for activities such as:

1. **Authorisation for Assessment & Certification of Second Party Candidates:** The Second Party will permit the First Party to conduct assessments and certify its candidates as per the defined QP(s), through Assessment Agencies empanelled by the First Party.
2. **Nodal Officer/Coordinator:** The Second Party will designate and recommend a Nodal Officer/Coordinator at Headquarters Level who will be responsible for overseeing/coordinating the program from Second Party which includes MIS & technical operations with the First Party.
3. **Payment Schedule to SSC NASSCOM:** The Second Party shall make 100% advance payment of assessment cost to NASSCOM/SSC NASSCOM i.e. the First Party, for all the batches for which the First Party shall give an acknowledgement of advance payment.
4. Assessment cost shall be paid on the basis of registered/scheduled number of candidates on SSC NASSCOM Portal (this covers those passed, failed and also covers absentees on the day of the assessment) subject to a minimum batch-size, which is 20 candidates per batch. The cost for an assessment and the subsequent certification will be as per the norms of NSDC & NASSCOM/SSC NASSCOM/First Party and currently is at INR. 800/- + all applicable Taxes (Taxes are over and above the assessment cost).
 - a. If a batch is not assessed due to Force Majeure or if informed by the Second Party at least 10 working days in advance to the date of the scheduled assessment or due to any other reason agreed upon by both the Parties, then the assessment will be carried out for the whole batch at a mutually convenient date. This communication between the Parties would be sent via E-Mail.
5. The Second Party agrees to the terms & conditions stated in the malpractice avoidance declaration as detailed in Annexure-II (C)

C. Role & Responsibility of the First Party

1. **Single Point of Contact (SPoC):** The First Party will designate and recommend a SPoC who will be responsible for the overall assessment related activities from the First Party.
2. **Student Assessment and Certification:** The First Party will organize the timely assessment and certification of Second Party candidates through empanelled 'Assessment Agencies' of the First Party. The First Party will issue certificates to the successful candidates via SSC NASSCOM Portal.

3. The First Party will raise an invoice against advance payment post conduct of assessment.
4. The First Party via its Assessment Agency will be responsible for the fair and proper conduct of the QP assessment. Any issue(s) that arise regarding this will be amicably discussed between the First Party and the Second Party and resolved thereof.
5. Candidates will be assessed on the assessment criteria and question banks set by the First Party as per the respective QP concerned.

D. The below given operational processes will be followed for Assessment and Certification:

1. Second Party uploads its batch information in prescribed format on SSC NASSCOM Portal listing all details including the batch end date as required by SSC NASSCOM Portal.
2. Second Party must make the communication/request for the assessment date at least 2 weeks prior the batch assessment /training end date and the assessment date should be minimum 2 weeks post the payment date.
3. The Second Party will transfer the requisite assessment fees via the prescribed Payment Gateway of the First Party, as mentioned in Clause B, Sub clause (3) of this MoU.
4. First Party assigns the batch to its empaneled assessment agency for conduct of assessment.
5. Infrastructure details for conduct of assessment will be shared by the empaneled assessment agency to the Second Party while assessment confirmation is sent via e-mail.
6. On request from First Party the Second Party will furnish the candidate details of batch in excel format. The Second Party will be responsible for the accuracy of all the details provided in the Excel sheet and on SSC NASSCOM Portal.
7. Centre Manager/Centre Head of Second Party will sign a malpractice avoidance declaration form as detailed in Annexure-II (C) on the day of assessment and Second Party will make all efforts to avoid any malpractice at its assessment centres.
8. The First Party will nominate proctors/invigilators to check the credentials of the candidates as detailed in Annexure-II (B) of this MoU.
9. The Second Party will ensure the signing of QP Assessment Attendance Sheet on the day of assessment as detailed in Annexure-II (A) of this MoU.
10. The results of the batches will be declared by the First Party within 10 days of assessment.
11. Certificates will be generated through SSC NASSCOM Portal for successful candidates as per the timelines.

E. Other covenants

1. The use of the name, logo and/or the official emblem of the Parties concerned on any publication, document and/or paper concerning the mission/project under this MoU is permissible, only post approval in writing, as explicit permission from the Party concerned.
2. Any difference or dispute between the Parties concerning the interpretation and/or implementation and/or application of any of the provisions of this MoU shall be settled amicably through mutual consultation or negotiation/s between the Parties, without reference to any third Party. Any other aspects not covered in this MoU, relevant to this program, and disputes etc arising about any aspect of the MoU shall be settled through mutual consultation and MoU, by the Parties to this MoU. In case a settlement is not arrived at, all disputes or differences arising between the parties in relation to the interpretation, meaning or effect of this MoU, or to any breach thereof and remain unresolved after the intervention of the representatives of the parties, shall be referred to arbitration under the aegis of the Indian Council of Arbitration at

3. This MoU will come into effect on the date of digitally signed by both Parties concerned and shall remain valid for a period of one year.
4. This MoU may be changed at any time by mutual agreement of the Parties concerned in writing. It shall be reviewed three months before the expiry of the 'MoU' or at a time mutually agreed upon by the Parties concerned for a possible renewal.

1. Either Party may terminate this MoU with 30 days prior written notice to the other Party. On termination of this MoU both parties shall discontinue using the marks and rights arising or accruing from the terms of this MoU.
2. The termination of this MoU shall be without prejudice to the accrued rights and obligations of the Parties and all such accrued rights and obligations shall remain in full force and effect and be enforceable notwithstanding such expiry or termination.

Skycon believes in a hands-on approach on all projects. That is why a Director of the firm will always be in control of the key functions on our projects. Skycon is equipped with the latest technology and has the necessary staff and resources to ensure the best professional service is provided at all times.

About Guru Nanak College, Budhlada Mansa

The college is one of the premier institutions of higher education in the state and leading educational institution established on sacred name of "Sri Guru Nanak Dev Ji", first guru of Sikhs. The college has consistently been enlightening its glory in the state and of course nationally. Guru Nanak College, affiliated to Punjabi University, Patiala (listed in 12(b) & 2(f) sections of UGC Act 1956) is situated on the outskirts of Budhlada city - a small town of district Mansa in Punjab. To tribute the 500th birth anniversary of "Sri Guru Nanak Dev Ji", it was started in 1971 by some eminent personalities of the region to keep in mind the noble cause of making affordable education accessible to all the people of this backward, rural and remote area. In the beginning, it was functioning under the local management but later on handed over to SGPC (Shiromani Gurdwara Parbandhak Committee, Sri Amritsar Sahib), an apex and philanthropic body of the Sikhs committed to serving humanity, on 09 November 1994 due to meager financial resources and some other executive problems. It was followed by some significant reforms in both college functioning and infrastructure.

Exchanges between the organizations are considered here to include but not limited to:

- Both the organizations will support each other's endeavors in delivery of academic programmes and research activities through the following but not limited to:
 - Exchange of scientific and technical information.
 - Joint supervision of Graduate students.
